KIARO!®D
K-200D

- Wide-Format Durable Inkjet Label Printer
- Print Labels 4.3"– 8.4" Wide

Digital Label Printer for Large, Durable Labeling

The K-200D prints wide, durable labels that can withstand dirt, moisture or water submersion, abrasion and exposure to UV rays or sunlight – all while maintaining clarity and color fastness at 1200 dpi.

With its cutting-edge pigment ink formulation and QuickLabel's qualified label stocks, labels printed by the K-200D comply with GHS hazard warning labeling regulations and possess BS5609 certification, one of the most stringent physical label standards in the world.

The K-200D is able to print larger labels, from 4" – 8" wide and up to more than 17" in length. When it comes to durable in-house, on-demand label printing the K-200D is the ultimate solution.

- Print speed up to 6 inches per second (30 ft per minute)
- Exceptional print resolution up to 1200 dpi
- Print width 4.3" to 8.4"
- Produce BS5609 and GHS Standard certified labels
- Perfect for larger products such as pallets, gallon/liter jugs and barrels
